How would you feel if . . .

1. You were picked last when choosing sides for a game?

2. Someone you admire insulted you?

3. Someone you liked invited you to a party?

4. There was a bad rumor circulating about something you did?

5. Someone asked your opinion about something important?

6. Someone forgave you for a mistake that you made?

<u>Think of a new feelings word for each scenario</u>

suggestions on back
